## Beekeeping for Absolute Beginners - Application Form

This one day course is suitable for people with no prior experience who are considering keeping honeybees. It introduces you to the basics of beekeeping, with plenty of opportunity for informal discussion with the instructors.

Experienced beekeepers will outline what is involved with keeping bees, from choosing an apiary site and handling bees through to harvesting your first jar of honey!

### Course Details

The course will be held on Saturday 9 April 2016 between 10am and 4pm at Itchen Abbas and Avington Village Hall, Main Road, Itchen Abbas, Nr. Winchester, SO21 1BQ.

The course is classroom based and does not include handling live bees on the day. However, at the end of the day we will make arrangements for you to join us for one of our apiary meetings in the spring and summer..

Lunch is not provided - please bring a packed lunch.

### Payment

The course fee is £25 per person, payable in advance by cheque to "Winchester and District Beekeepers' Association". There is no charge for the apiary visit.

Since the WDBKA incurs fixed costs for the course we regret that we are unable to offer refunds if you cannot attend, however, substitutions are allowed at any time.
